

**WE CAN ONLY GRANT WHAT YOU GIVE!**

Cycle 4 recipient Michi Meko

**SEEKING INVESTORS**

Idea Capital pools resources from throughout the arts community to provide direct monetary support for Atlanta artists, performers and cultural producers. The more tax-deductible donations we receive, the more grants we can award. In our first three years, we have made 17 grants totaling over \$14,000 to artists working in diverse disciplines.

**2011 GOAL: \$10,000**

We urge contributions towards this goal at a level that you find personally significant. Donations to Idea Capital are tax deductible through our fiscal agent Alternate Roots.

**OUR VALUES**

Beginning in 2008, we established an innovative funding mechanism that directly supports Atlanta-based artists outside of typical institutional models. We are:

- Supporting innovative, investigative art
- Creating community
- Making Atlanta a viable center for working artists
- Establishing a democratic network of investors
